

No individual is bigger than LIFE.”
So, “Allow your passion to become your LIFE”!

Get to know us and what we do...

The Learning Institute For Experience focuses on enlightening, empowering, and encouraging individuals to use their experiences by extracting the lessons to develop principles and solutions through a new perspective, to endure and persevere through their challenges. Marz Bishop influences and inspires students to identify their innate ability and self-actualize what can be achieved by cultivating their potential.

Here at LIFE inc. our motto is, “No individual is bigger than LIFE.”
So, “Allow your passion to become your LIFE”!

We look forward to enlightening, empowering, and encouraging you!

To help individuals improve performance so they can maximize their potential.
